

SKYLINE VILLAGE

Tenant Screening Criteria

Fair Housing

Skyline Village complies with the Federal Fair Housing Act, and as applicable, other Federal, State and Local law prohibiting discrimination in the lease or rental or in the use, occupancy or tenure of enjoyment of Skyline Village, or any part thereof on the basis of race, color, religion, sex (including gender, gender identity, gender expression, pregnancy, childbirth, and other related medical conditions), sexual orientation and identity, national origin/ancestry, age, disability, marital/familial status, veteran status, citizenship status, political activities or affiliations, medical condition, genetic information, persons with AIDS or AIDS related condition or any other consideration made unlawful by federal, state, or local laws or on the basis of their receipt of, eligibility for, housing assistance programs or on the basis that the resident have a minor child or children who will be residing with them or any other arbitrary basis.

Auxiliary Aids to Ensure Effective Communication

Skyline Village will seek to effectively communicate with applicants, residents, and members of the public who are individuals with handicaps or disabilities. The use of auxiliary aides will be implemented when necessary. Skyline Village asks for 7 days' notice if you require us to provide any auxiliary aids to ensure effective communication in any meeting, interview or appointment.

Additional Protection for Individuals with Limited English Proficiency

Executive Order 13166 requires all recipients of federal funds to take reasonable steps to ensure that persons with limited English proficiency (LEP persons) have meaningful access to federal programs and activities. In response to this executive order, this community has created a Language Access Plan which details the steps taken to ensure meaningful access including but not limited to providing for oral translation services for applicants who need language assistance. Copies of the Language Access Plan are available in our office.

Reasonable Accommodation/Modification Policy

Skyline Village is committed to making the property readily accessible and usable by individuals with disabilities. Skyline Village will consider any request by or on behalf of a disabled resident or applicant for:

- a. A reasonable accommodation requesting a change in its rules or policies; or
- b. A reasonable modification relating to alteration of the common areas or an individual unit.

Any such request should be made in writing to the Skyline Village Manager. If it is not possible to make the request in writing, the Skyline Village Manager will assist the person making the request and provide the necessary information.

Applications

Each applicant over the age of 18 that will occupy the apartment must complete the application and sign the lease. Applications must be completed in full. Any application that is incomplete or containing untrue, incorrect, or misleading information will be rejected. Each applicant is evaluated based upon prior rental history and their ability to meet subsequent rental payment responsibilities. We may choose to accept or decline an applicant or seek additional information for approving eligibility.

Income Limits

Income limits are established for Skyline Village based on Area Median Income (AMI) levels for the applicable City/County as published annually by HUD and TCAC. Applicants being processed for residency at Skyline Village cannot exceed the applicable limit for their household size, percentage of AMI, and program restrictions for the unit for which they are being processed. Aggregate gross income, from all income and asset sources, must be below the applicable household income limit. Applicants exceeding the income limit are not eligible and will be rejected as being over-income. Income limits are subject to change annually.

Minimum Income Requirements

Applicants must have a gross monthly income that is at least twice their monthly rent. For example, if monthly rent is \$800, the gross annual income should be at least \$19,200 (\$800 x 2 x 12 months). Failure to satisfy the minimum income to rent ratio is indicative of insufficient income to pay rent and all other household expenses. Savings and/or other sources of income may be considered in an effort to determine the applicant’s ability to pay rent. Voucher applicants are exempt from the minimum income requirements.

Preferences

Skyline Village has established the following preferences for selecting applicants when a unit becomes vacant:

1. If this property has vacant accessible units, a preference will be given to those on the accessible unit waiting list who require the design features of those units
2. A family in which each member, or whose sole member, is a person displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster or otherwise formally recognized pursuant to federal disaster relief laws.
3. Persons displaced by redevelopment activities of the city in implementation of the redevelopment plan and related projects.
4. Victims of domestic violence, dating violence, sexual assault, or stalking that are in need of immediate relocation.

In the absence of any of the above preferences, applicants will be selected in order they are placed on the general waitlist by the appropriate household size and income level.

Occupancy Limits

The affordable housing programs that govern Skyline Village have set a minimum and maximum number of persons per unit size as shown below.

<u>Unit Type</u>	<u>Minimum Number of People</u>	<u>Maximum Number of People</u>
One-Bedroom	1	3
Two-Bedroom	2	4
Three-Bedroom	4	6
Four-Bedroom	5	8

Verifying the Need for Accessible Units

When an applicant requests an accessible unit or a unit preference the Management Company will conduct inquiries to determine the accessibility amenities that will accommodate the resident’s verified disability. Residents will be matched to an available unit that best meets their specific accommodation requirements in rank order with an adjustment required for those of the highest level of need as determined by the management company.

Accepting and Selecting Applicants

Applications and/or Pre-applications are available at the manager's office when either or both general and accessible unit waitlists are open. The application/pre-application will determine whether the applicant will be placed on the general or accessible unit waitlist.

When management receives the application/pre-application, it will be date and time stamped. Management will review the application/pre-application to make sure the applicant appears to qualify under the program regulations then will either accept or reject the application/pre-application. If the application/pre-application is accepted, management will log the pre-application according to the date and time received on the waitlist. The application/pre-application will be securely filed at Skyline Village. If the application/pre-application is rejected, a letter with the reason for rejection, along with the right to appeal the rejection will be sent to the applicant.

Once the applicant is contacted for the eligibility interview, if the applicant has not done so already, the applicant will need to submit a complete application.

Waitlist

When no units are available, applicants will be placed on Skyline Village's waitlist. The general waitlist is maintained by unit size and/or program type. The accessible waitlist is maintained by accessible features, unit size, and/or program type.

Applicants that have rejected an offered unit two times may be removed from either waitlist. Applicants are allowed up to twenty four business (24) hours to accept an offered unit. The management company may maintain a general waitlist and an accessible waitlist when there are applicants waiting for housing at Skyline Village. All applicants placed on either waitlist must have a completed application/pre-application on file. Each waitlist is maintained in accordance with company policy and is updated on by the management staff at least annually. Failure to reply to biannual update inquires, refusal of the allowed number of units, and/or failure to verify the claimed need for an accessible unit may result in removal from the waitlist.

Selecting Applications

Once the applicant is contacted for the eligibility interview, if the applicant has not done so already, the applicant will need to submit a completed application. The application must be filled out completely and returned in the manner indicated in the application packet. When management receives the application, Management will review the application to make sure the applicant qualifies under the program regulations then will either accept or reject the application. If the application is rejected, a letter with the reason for rejection, along with the right to appeal the rejection will be sent to the applicant.

Unit Transfer

Unit Transfers are approved within the project for existing tenants for the following reasons:

- × Disability-Related Medical Reasons: These transfers take priority over all other transfers.
- × Over-Occupancy
- × Under-Occupancy
- × Accessible Unit Non-Utilization
- × Emergency transfers for victims of domestic violence, dating violence, sexual assault, or stalking.

Tenants in need of transfers must place their names on the in-house transfer waiting list, and will be accommodated first by priority and then on a first-come, first-served basis. Residents that reject two offered transfers will be removed from the transfer waiting list.

Residents that are mandated to transfer due to overcrowded or underutilizing a unit will be required to transfer to the first available unit of appropriate size in accordance with the lease and program requirements.

Resident may also be required to transfer if they are occupying an accessible unit, but do not need the features of such a unit and another eligible resident or applicant on the accessible waitlist requires the special design features of the unit. Resident must agree and execute the “Accessible Unit Agreement” upon moving into an accessible unit if they do not need the features of such a unit.

More information is available in the Unit Transfer Policy.

100% Non-Smoking Housing

This is a non-smoking property. Smoking of any kind, including e-cigarettes, is prohibited inside the apartment units, including the balconies and patios, and in all indoor and outdoor common areas up to property line. Residents are responsible for ensuring that family members, guests and invitees also comply with this rule.

Landlord Reference Checks

Current and previous landlord checks will be performed on all applicants to obtain information on the applicant’s rental history. Negative comments regarding an applicant’s current or previous tenancy may be cause for rejection of the application. Negative comments can include evictions, chronic late payments of rent, or material violations of the lease for which warning letters or notices to comply or quit may have been served. Notification of disruptive or dangerous behavior, including disturbance of neighbors, destruction of Property, and/or criminal activities that threaten the health, safety, and right to peaceful enjoyment of Skyline Village by other residents, or the health and safety of the owner, employees, contractors, subcontractors, or agents of the owner may be considered as cause of rejection. Consideration will be given to applicants that do not have a recent rental history and a landlord check may not be feasible.

Home Visits

A home visit will be performed on all applicants living within a reasonable distance (reasonable distance is defined as within fifteen miles of any TSA-managed Property). Negative comments regarding the applicant’s home visit report may be cause for rejection of the application.

Applicants whose residences are damaged, unkempt, or unsanitary may be rejected. Observed living conditions to be deemed as cause for rejection may include, but are not limited to, evidence of damage(s), an overly large accumulation of debris or materials throughout the residence that may constitute a safety or fire hazard, great numbers of dishes that have not been cleaned for a long period of time, remains of rotten or molding food; signs of rodent infestation, and/or an overall general lack of sanitary cleaning in bathrooms and kitchen. Home visits will not be conducted for those that are homeless or residing in a shelter.

Acceptable Credit/ Credit Worthiness

Credit reports will be run on all applicants age 18 and older. A credit report that indicates a bankruptcy within the last 5 years, judgments, liens, collections or charge-off accounts totaling \$2,000 or more, or one apartment-related collection will be considered unacceptable and may be the basis for applicant rejection. Debt related to student or medical debts will not be counted toward the \$2,000 threshold.

Eviction Search

An eviction search that reveals an eviction will be the basis for applicant rejection. Special importance is placed on landlord reference checks that indicate rental payments were made in a timely fashion and the rental units were well maintained. The nature of the eviction will be considered when looking at the basis of rejection. The applicant will have the opportunity to explain the situation and the cause of the eviction to understand what circumstances have changed since the eviction.

Criminal Background Check

We will not tolerate criminal activity on or around the complex. We will conduct criminal background checks on all prospective applications including live-in attendants. Past criminal activity may be grounds for rejection. It is Skyline Village's policy not to accept prospective residents who have been convicted of any felony and/or certain misdemeanors including, but not limited to, drug related convictions burglary, robbery, larceny, destruction of Property, assault, fighting or physical violence.

Violence Against Women Act (VAWA)

The Violence Against Women Act (VAWA) provides protections to applicants and tenants (or program participants, which is the term used under some covered housing programs) who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (collectively 'domestic violence'). VAWA protects applicants and tenants from being evicted, being denied housing assistance, or terminated from housing assistance based on acts of domestic violence against them. Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, sexual orientation, disability or age.

Applicants and residents may certify their status as victims of domestic violence by using the optional HUD Form-91066, Certification of Domestic Violence or provide alternate third party documentation such as:

- 1) A record of a Federal, State, tribal, territorial, or local law enforcement agency (e.g. police), court, or administrative agency; or
- 2) Documentation signed by the Victim and signed by an employee, agent or volunteer of a victim service provider, an attorney, a medical professional, or a mental health professional from whom the Victim has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, in which the professional attests under penalty of perjury (28 U.S.C. 1746) that he or she believes that the incident of domestic violence, dating violence, sexual assault, or stalking is grounds for protection.

Rejected or Ineligible Applicants and Appeals

Any applicant that is rejected or found to be ineligible shall be notified in writing of the reason for the rejection or ineligibility. The rejection notice shall provide a 14-day period during which the applicant may contact management and appeal the decision and/or provide additional information that may alter the initial determination. Applicants that are denied and wish to appeal the denial are encouraged to provide all relevant documentation with their letter of appeal so that the appeal can be reviewed quickly and accurately. All appeals must be in writing. Accommodations will be made for those unable to provide an appeal in writing.

Full Time Students

A household that is comprised entirely of full time students is generally not eligible; however there are exceptions under the Section 42 regulations. The full time student status must be checked for all adult household members.

Live-In Aides

A live-in aide is a person who resides with one or more elderly persons, near-elderly persons, or persons with disabilities, and who: Is determined to be essential to the care and well-being of the person(s); is not obligated for the financial support of the person(s); and would not be living in the unit except to provide the necessary supportive services. Live-in Aides must be approved prior to admittance to Skyline Village. This approval process includes: Verification of need, criminal check, eviction check, landlord reference, and signed live-in aide agreement.

Ineligibility

Households may be ineligible for occupancy for various reasons including, but not limited to, the following:

- a) A negative landlord or other reference, encompassing failure to comply with the terms of a lease, poor payment history, a history of maintaining the rental unit in an unsafe and/or unsanitary condition or eviction for cause;
- b) Failure to present all applicants during the interview with the Community Manager;
- c) A negative credit report as set out above;
- d) Falsification of any information contained on the application;

- h) Income exceeding maximum limits or not meeting the minimum income limits on initial occupancy based on unit designations;
- i) Other cause, including, but not limited to, failure to meet any of the selection criteria in this document;
- j) Misrepresentation of any information related to eligibility, allowance, household composition or rent.

- b. Households will be given notice of recertification at least 120 days in advance of the effective date.

perform annual criminal background checks but reserves the right to do so. Applicants would be advised by a revised Tenant Selection Plan (TSP) if this policy changes.

2. Interim Recertification

Households are required to supply information requested by the landlord or CTCAC for use in an interim recertification of family income and/or family composition in accordance with CTCAC requirements. All tenants must notify management when:
